- (11) Graduates of bachelor's degree programs have access to master's degree studies, doctoral studies and postgraduate training and continuing professional development programs.

CHAPTER II. ORGANIZATION AND CONDUCT OF TEACHING ACTIVITY

Art. 5

- (1) The academic year is organized according to the structure established annually by the University Senate, by cycles of university studies.
- (2) For undergraduate degree programs taught in English/French, tuition is organized entirely in a foreign language (English/French), except for clinical internships, which are conducted in Romanian.
- (3) The written and practical parts of the bachelor's degree/dissertation exam are held in Romanian. The writing and defense of the bachelor's thesis can be done in Romanian/English/French.
- (4) The scheduling, organization and conduct of the teaching process derive from the university autonomy, respecting and in accordance with the provisions of the Law on Higher Education no. 199/2023, with subsequent amendments and additions.

Art. 6

- (1) The curriculum of the university study program comprises the set of subjects leading to a university qualification, aims at expected learning outcomes and is consistent with the level of qualification defined in the National Qualifications Framework, hereinafter NQF, and is approved by the University Senate.
- (2) The curricula aim to organize and carry out high-performance competitive education and are structured in study cycles comprising core subjects, field subjects, specialist subjects, complementary subjects, compulsory subjects and optional and/or optional subjects.
- (3) Each faculty informs students, by publishing on the university's website, the curricula applicable for the academic year, respectively for each program of study.
- (4) The curricula will be in line with national and European standards and will ensure the acquisition of knowledge defining the field of study addressed in order to ensure a student-centered education.
- (5) The curricula include compulsory, optional and optional subjects:
- Compulsory subjects ensure that students acquire the basic knowledge essential to the field.
 - The optional subjects allow students to explore particular areas of specialization, in line with their intended specialization.
 - Optional subjects cover both specialist and complementary areas, broadening students' knowledge.
 - The number of optional and optional subjects is approved annually by the Faculty Council.

(6) The curricula contain subjects in ethics and academic integrity, including research ethics.

Art. 7

(1) UMFVBT applies the European Credit Transfer Credit System (ECTS - European Credit Transfer System) intra and inter-university (internal, external), to ensure mobility and flexibility of students' professional training.

(2) The application of the European Credit Transfer System (European Credit Transfer System - ECTS) at the "Victor Babeș" University of Medicine and Pharmacy "Victor Babeș" of Timisoara (UMFVBT), for all undergraduate degree programs is carried out according to the **Regulation on the application of the European Credit Transfer System (ECTS)**, approved by the University Senate.

(3) In order to ensure the implementation and monitoring of the ECTS application, the credit awarding system has a coordinator at university level (the Academic Prorector).

Art. 8

(1) For each subject, a subject description is drawn up, which includes at least: learning outcomes, teaching and learning content and practices associated with learning, teaching and assessment, as well as the number of credits allocated for each activity.

(2) Discipline sheets are elaborated by the discipline holders, signed by the head of the discipline, endorsed by the department director and approved by the faculty management, in relation to the specificity of the faculties and study programs. For study programs that are carried out in parallel and in languages other than Romanian, the subject syllabus will include the same curriculum, regardless of the language of instruction. The course teachers of each study program taught in English and French are obliged to harmonize the curricula so that students from the same program and from the same year of study can follow the same curriculum in the discipline in question, regardless of the language in which they study.

(3) The course syllabuses will be posted on the notice board of the subjects of study and on the Moodle platform of the university.

(4) At the end of each cycle, students in study programs with 300 and 360 ECTS must achieve the total number of credits foreseen in the curriculum of that cycle.

(5) In subjects where there are two or more teaching series within the same program of study, the examination methodology will be identical, and the course holders will jointly design the questions for the written examination and the scales for the practical examination. Within the same discipline, the edited bibliographical material made available to students will be unique, irrespective of the number of teaching staff in that program of study.

Art. 9

Students are guaranteed the right to free choice, within the study program, of optional and elective courses, in accordance with the legal rules in force and with the curricula.

CHAPTER III. STUDENTS' RIGHTS AND OBLIGATIONS

Art. 10

(2) For the students of the Faculty of Dentistry, all study programs, materials, instrumentation and equipment necessary for practical and clinical demonstration teaching will be provided by UMFVBT.

(3) The costs of consumable materials and individual instrumentation necessary to perform the various maneuvers in order to meet the appropriate practical and clinical scales for the acquisition of the specific skills required by a dentist with the right to practice, respectively a dental technician and a dental

prophylactic dental assistant, as well as the costs for personal protective equipment, are the exclusive responsibility of students, regardless of the form of schooling (budget or fee-based).

(4) The individual need of materials and tools proposed by each discipline is established annually, according to the specific practical scale contained in the Discipline Sheets, being publicly posted both on the UMFVBT website and at the headquarters of each discipline.

(5) All materials, equipment and individual instrumentation purchased by students will be approved by law and will come from authorized distributors in Romania. Individual materials and instrumentation are part of the student's personal kit, will be used during all years of study and remain the property of the student.

(6) All work performed on patients by students with these materials will be free of charge, with the exception of prosthodontic restorations (dental laboratory part), the full cost of which will be paid by the patient.

CHAPTER IV. ADMISSION TO UMFVBT BACHELOR DEGREE PROGRAMS. ENROLMENT AND REGISTRATION OF STUDENTS. ACQUISITION/TERMINATION OF STUDENT STATUS. STUDENT DOCUMENTS

IV.1 Admission

Art. 22

On the basis of university autonomy and public accountability, UMFVBT organizes an admission contest for each study program, in order to test knowledge and cognitive abilities.

Art. 23

For cycle I - bachelor's degree studies, respectively cycle I and II, offered combined in a bachelor's degree program in the Health bachelor's degree field, admission is organized to the specializations / study programs accredited or authorized to operate provisionally, in accordance with the legal provisions in force, with the **Admission Regulation**, and with the **tuition fees** and the **Admission Calendar**, documents approved annually by the University's Council of Administration, by types of admission.

Art. 24

The periods of the admission sessions, the forms and exams are determined by the **Admission Regulations** which are published annually, according to the legal provisions in force, by posting on the UMFVBT website.

Art. 25

(1) A person can receive funding from the state budget for only one program of short-term university studies, for only one program of undergraduate studies, for only one program of master's studies and for only one program of doctoral studies.

(2) A person who has benefited from free tuition in a program of university studies financed from the state budget has the right, under the conditions of the law, to follow another program of university studies within the same cycle of university studies:

a) fee-based, if the state higher education institution also organizes the program in this way;

b) free of charge, with financing from the state budget, under the conditions that the person pays the tuition fees that he/she has previously received with financing from the state budget, in full or in part, in cases where the study program to which he/she has been admitted is organized with full financing from the state budget.

(3) When registering, the person referred to in [para. \(2\)](#) shall submit a sworn declaration of previous university studies at the same level.

IV.2 Registration

Art. 26

For enrollment in the first year in the period established according to the Admission Calendar, the candidates declared admitted on the budgeted/fee-paying places have the obligation to confirm their place by paying the confirmation fee, signing the study contract, uploading it on the admission platform and submitting the application in physical format to the faculty secretariat (registration), under penalty of losing the place obtained through the competition, in case of failure to fulfill this obligation.

Art. 27

(1) The enrolment of EU, EEA and CH citizen students and foreign students (from third countries), admitted to study programs taught in English or French, respectively Romanian, as well as foreign students, scholarship holders of the Romanian state, is done within the deadline specified in the Admission Regulation, approved annually.

(2) In exceptional cases, with the approval of the Board of Directors of the "Victor Babes" University of Medicine and Pharmacy "Victor Babes" of Timisoara, the matriculation of admitted foreign (non-EU) citizens candidates, who have obtained the letter of acceptance to studies issued by the Ministry of Education, can be done until the end of the first semester of the current academic year, respectively until the beginning of the examination session for the first semester.

(3) The documents submitted by foreign students admitted to study programs taught in English or French, as well as by foreign students, scholarship holders of the Romanian state, will be analyzed by the Prorectorate for International Relations of the university, which will give an opinion in principle for provisional enrollment and will issue the Decision (Order) of admission to studies, approved by the Rector of UMFVBT.

(4) Students who are foreign citizens shall submit, in person, to the secretaries of the faculties, within the deadline set for the enrollment of students, the Decision (Order) of admission to studies, accompanied by copies of the following documents:

- Letter of acceptance to study (for students enrolled on their own currency)/A attestation of equivalence of baccalaureate diploma (for students from EU, EEA and CH)/Nominal order issued by the Ministry of Education/approval of tuition (for students on scholarships from the Romanian state);
- a certificate of language proficiency in Romanian (for those studying in Romanian) or a certificate of passing the foreign language test (for those studying in English or French);
- official supporting documents, in certified copy, showing exemption from the language test, where applicable;
- proof of payment of the registration fee.

(5) The decision (Order) of admission to studies is valid until the date of the decisions of registration and final enrollment of EU, EEA, CH and foreign students, after the Prorectorate for International Relations has sent the complete files of foreign students to the secretariats of the faculties according to the admission regulations approved annually.

(6) Students who are EU, EEA, CH and foreign citizens (from third countries), admitted to undergraduate studies are obliged to submit the original baccalaureate diploma to the secretariat of the Prorectorate for International Relations, no later than the last day set for the academic year.

(7) High school graduates, EU, EEA, CH and foreign (third-country) nationals who have not yet obtained their baccalaureate diploma by the date of enrolment, must submit a notarized declaration that they undertake to submit their original study documents (plus copies and certified translations) by a deadline (the date depends on the country in which the study document was issued), which cannot be later than the starting date of the following academic year.

(8) The secretariat of the Prorectorate for International Relations is responsible for keeping track of the deadline for the submission of the original study documents (plus copies and notarized translations) for foreign students, and must inform the Deans in writing if the deadline is exceeded or, if necessary, if the deadline is modified.

(9) Failure to present the original of the baccalaureate diploma within the deadlines/conditions stipulated above leads to expulsion.

Art. 28

(1) Failure to submit all the original and copies of all the application documents for admission, in accordance with the provisions of the Regulation on the organization and conduct of the admission contest, within the deadline set for the enrolment of students in the first year, leads to the loss of the place obtained through the competition.

(2) Failure to submit the baccalaureate diploma in original/license in copy, within the deadline set for the enrollment of students in the first year, leads to the loss of the place financed from the state budget.

Art. 29

(1) The enrolment of students in the second and subsequent years of study is carried out by completing and signing the Additional Act to the Undergraduate Studies Contract, according to the schedule established by the management of each faculty, within a maximum of 30 calendar days from the beginning of each academic year.

(2) At the beginning of each academic year, enrolment is based on the professional results of the previous academic year, with the obligation to obtain the minimum number of transferable credits (ECTS) required to pass one academic year.

Art. 30

In order to enroll in years II - VI, students must present themselves, in person/through student representatives, at the faculty secretariat, during the public opening hours: *Monday-Friday, between 12.00-15.00*, with the following documents:

- the addendum to the undergraduate studies contract, signed in duplicate;
- the medical certificate, endorsed by the doctor from the UMFVBT Medical Office. For Romanian students, the medical certificate is issued by the family doctor, and for foreign students, by the doctor of the Medical Office of UMFVBT;
- the practicum contract and the evaluation of the student's practical activity. These forms, issued to the students by the secretaries of the faculties, before the beginning of the internship, are filled in by the students and by the representatives of the health unit where the internship took place;

- your student card;
- your transport pass.

Art. 31

(1) Students who fail to register for the academic year by the deadline set by the university administration, i.e. 30 calendar days from the beginning of the academic year, are considered, ex officio, to have renounced their student status by non-attendance and are expelled for non-registration.

(2) The decision of expulsion will be communicated to the expelled student, to the Prorectorate for International Relations (if applicable), to the Financial-Accounting Department, to the Social-Administrative Department and to the Entrepreneurship, Website Administration and e-learning platforms Service, within a maximum of 30 calendar days from the deadline set for the registration of students for each academic year.

Art. 32

Students who have been declared as repeats will be enrolled in the complementary year, within the deadline and according to the procedure in force.

IV.3 Registration

Art. 33

The enrollment of students declared admitted after the admission contest is made by decision of the Rector of the "Victor Babes" University of Medicine and Pharmacy of Timișoara, after payment of the tuition fee, in the case of students admitted on fee-paying places, and after signing the university study contract, according to the **Operational Procedure on the students' enrollment and completion of the register of students at the "Victor Babes" University of Medicine and Pharmacy of Timișoara.**

Art. 34

(1) Students who have received funding from the state budget, in full, for a bachelor's degree program, completed by a bachelor's degree/not completed exam, can be enrolled and matriculated in the first year, after passing the admission contest at the University of Medicine and Pharmacy "Victor Babes" in Timișoara, only on fee-paying places, without the right to reclassification on budgeted places.

(2) Candidates who have received **partial** funding from the state budget within a bachelor's degree program and have been declared admitted to the admission contest organized at UMFVBT, will be enrolled **on the places with fee, starting with the first year of studies.**

(3) The category of students referred to in para. (2) shall have the right to reclassification on the budgeted places, only after passing, in fee-paying regime, the number of years of studies corresponding to those previously followed, in non fee-paying regime, in compliance with the criteria and performance standards for the annual reclassification of students, established by the university management.

Art. 35

(1) After the registration is approved, the students are registered in the Matriculation Register, under a unique number, valid for the entire period of tuition, in the study program(s) to which they have been admitted.

(2) The distribution of students by series and groups will be done in alphabetical order.

The matriculation numbers are assigned following the last matriculation number given in the previous year, by faculties and study programs, as regulated by the Government Decision on the approval of the Nomenclature of fields and specializations / programs of university studies, the structure of higher education institutions, fields and programs of university studies accredited or authorized to operate provisionally.

Art. 37

For students declared admitted to newly established study programs, authorized to operate according to the legislation in force, respectively to study programs organized within a newly established faculty, the assignment of the enrolment numbers is done starting with the number 1.

Art. 38

Students who follow, concurrently or consecutively, two programs of study at the University receive different matriculation numbers, specific to each program of study.

Art. 39

Re-enrolment is done within the deadline set for student enrolment and is conditional on the signing of the study contract and payment of the tuition fee.

Art. 40

(1) The enrollment of EU, EEA, CH and foreign (from third countries) students will be carried out on the basis of their complete applications, submitted by the secretariat of the Prorectorate for International Relations to the secretariats of the faculties, by the deadline set by the university management.

(2) In order to matriculate, EU, non-EU candidates and Romanians from abroad, admitted on places financed from the state budget, are obliged to submit, in original, until the date set by the admission regulation, the diploma/certificate of recognition of the diploma/certificate of baccalaureate/licence/dissertation to the secretariat of the faculty/ secretariat of the Prorectorate for International Relations.

When registering, foreign (non-EU) applicants must present the original study and identity documents from the application file, together with the letter of acceptance to study and the passport with valid visa for study purposes. In exceptional cases, established at national level or as a result of university decisions, matriculation may be carried out on the basis of authenticated documents submitted electronically, the originals being submitted under the conditions of the physical presence of the candidate on Romanian territory.

Tuition fee students who have reclassified to places financed from the state budget are obliged to submit the original baccalaureate diploma to the secretariat of the faculty/department, no later than the last day set for the enrollment in the academic year, but no later than 30 calendar days after the beginning of the academic year, under penalty of losing the place financed from the state budget, obtained by reclassification.

Art. 41

(1) Upon registration in the Student Register, the student's personal file includes:

- the application form for the admission competition;
- original baccalaureate diploma (for students admitted to places financed from the state budget);
- baccalaureate diploma, in copy, certified as a true copy of the original, accompanied by a certificate from the faculty where the original diploma is located (for those who are studying at two faculties in parallel);

- a copy of the bachelor's degree, certified as a true copy of the original - for graduates who are pursuing a second degree;
- Copy of your identity card/passport, certified as a true copy;
- birth certificate, copy, certified(s) in the original;
- marriage certificate, in copy, certified(s) in the original, if applicable;
- health certificate or health attestation;
- the university studies contract;
- proof of payment of the tuition fee, set by the University Senate, for fee-paying students;
- your transcript of marks from previous years (if applicable);
- other documents required for the admission competition,

(2) In the case of permanent mobility and/or recognition of studies carried out in other higher education institutions abroad, the student's personal file includes the documents stipulated in the Regulation on the academic mobility of students, for the Bachelor and Master cycle, within the "Victor Babeș" University of Medicine and Pharmacy of Timisoara.

(3) The personal file of foreign students includes:

- the registration form for the first year of studies;
- Letter of acceptance to study (for students enrolled on their own currency)/Baccalaureate diploma equivalence certificate (for students from the EU, EEA and Switzerland)/Nominal order issued by the Ministry of Education/approval of tuition (for Romanian state scholarship students);
- Birth certificate - copy and notarized translation;

Art. 43

- (1) A person acquires student status and membership of the UMFVBT community only through matriculation, following his/her admission.
- (2) A person admitted to a program of university studies has the status of a student throughout the entire period of his/her presence in the program, from enrolment to graduation, by obtaining all the credits related to the program of studies followed or by expulsion, except during periods of interruption of studies.
- (3) Student status is maintained even during internal and international mobility.

Art. 44

The status of a UMFVBT student is granted to a person who fulfills the following conditions: is admitted to studies, is permanently enrolled in studies, in accordance with the legal provisions and signs an Individual Study Contract with the University. In the case of students admitted on fee-paying places it is obligatory to pay the tuition fee.

Art. 45

Student status is obtained under the following conditions:

- a. by admission competition, in accordance with the UMFVBT admission regulations;
- b. by permanent academic mobility within the same university or from another higher education institution;
- c. through the equivalence of studies at other higher education institutions abroad;
- d. by re-enrolment, under the conditions of the present regulation (students who obtain approval for re-enrolment will keep their original registration number);

Art. 46

(4) Termination of student status occurs in the following situations:

- a) of law upon graduation from the bachelor's degree program;
- b) at the student's request, by withdrawal from studies;
- c) by expulsion.

(5) When the student ceases to be a student, he/she is obliged to submit to the secretariat of the faculty the student card, the travel card (if applicable), the liquidation form.

(6) Students whose student status is terminated will be able to collect their original documents from the file, after paying their debts to the University, by submitting the liquidation note to the faculty secretariat.

IV.5 Contracting studies

Art. 47

Enrollment in studies is based on the completion and signing of a study contract or, where appropriate, an additional act to the study contract, completed and signed annually by students, within 30 calendar days from the beginning of the academic year, the deadline set for student enrollment, according to the schedule established by the management of each faculty.

Art. 48

(1) The study contract includes the rights and obligations of the student and the university in the educational process.

- (2) The study contract regulates the student's financial obligations, approved by the University Senate and stipulated in the **Regulation of Tuition Fees and Other Fees**, as well as in other regulations and methodologies.
- (3) The study contract shall be concluded for the normal duration of the study program, as stipulated in the normative acts in force.
- (4) At the beginning of the academic year, within the term established by this Regulation, the study contract shall be supplemented by annual additional acts, concluded with the agreement of the parties. The addendum shall contain the following provisions: the academic record at the end of the previous academic year, the number of credits not passed, details of the tuition, the optional subjects chosen, one of which is compulsory, the amount of the tuition fee.
- (5) The student who does not complete the study program within the normal duration, as a result of repetition, resumption of studies in case of interruption or re-enrolment after expulsion or withdrawal, will apply for a new contract, under the conditions established by the university at the time of its conclusion.
- (6) The model of the study contract, respectively of the additional act to the study contract, is approved annually by the University Senate, prior to the beginning of the academic year, being checked for legality, respectively for preventive financial control, by the Legal Department of the University and the Financial Accounting Department.

Art. 49

- (1) Enrolled students who do not fulfill their obligation to pay the tuition fees within the term stipulated by the fees regulations, approved by the University Senate, will be expelled, based on the statements sent by the University's Financial Accounting Department with the debtor students.
- (2) Until the decision of expulsion is issued or until the financial situation is regularized, the Dean of the faculty sends to the disciplines a note informing them that the student is forbidden to participate in exams/collabs.

Art. 50

- (1) In case of termination/termination of the study contract, the student is obliged to go through the procedure of liquidation of obligations towards the University.
- (2) The original documents in the student's personal file will be released only upon presentation of the payment form, with all the fields completed.

IV.6 Student documents

Art. 51

- (1) The student card is issued to each student by the faculty secretariat after registration.
- (2) The student card attests the holder's student status and is stamped at the beginning of each academic year.
- (3) The student card is the student's identity card for all services and activities at the University.
- (4) The examining teacher enters in the student's record book and signs all marks obtained in examinations or other forms of assessment of knowledge, including marks for examinations not passed.
- (5) In case of loss or damage of the student booklet, upon the student's request, the secretariat of the faculty will issue another student booklet, for a fee.

Art. 52

The transportation pass is issued by the secretaries of the faculties, in accordance with the law.

Art. 53

The library card is issued free of charge by UMFVBT library staff.

Art. 54

The Secretariat of the Prorectorate for International Relations issues to foreign citizen students the necessary documents to regulate their stay in Romania, based on the following documents attached to the application:

- certificate issued by the faculty secretariat regarding enrollment in the academic year;
- the agreement of the Ministry of Education to study in Romania.

Art. 55

(1) Corrections, erasures and insertions of false data are not allowed in the content of student documents. Such acts may constitute forgery of public documents and are punishable by law.

CHAPTER V. STUDY CREDITS. FREQUENCY OF PROGRAMMED PROFESSIONAL ACTIVITIES. EVALUATION OF STUDENTS. PROMOTION OF STUDY YEARS

V.1. Study credits (ECTS)

Art. 56

(1) At UMFVBT, the European Credit Transfer and Accumulation System (ECTS) is an instrument of the European Higher Education Area designed to ensure the transparency of courses and study programs and to improve the quality of higher education.

(2) ECTS is used for:

- keeping track of students' professional results;
- calculating individual student performance and grading;
- transfer of professional results obtained by students as a result of attending and passing exams in subjects included in the curriculum of other universities in the country and abroad or other faculties of UMFVBT.

(3) Under this system, student mobility and flexibility in their professional training are ensured.

(4) Transferable study credits represent the amount of work necessary to achieve a coherent set of learning outcomes related to the competences required by the corresponding occupations according to occupational standards and/or the European Classification of Occupations, hereinafter referred to as ESCO.

(5) Credits are defined as numerical values, allocated to all forms of teaching activity: courses, practical work, internships, seminars, etc., which assess the average amount of work done by the student to master a subject.

Art. 57

The implementation and monitoring of the ECTS system at UMFVBT is the responsibility of the Academic Prorectorate, which will nominate and be responsible for the coordinators at the level of each faculty (Medicine, Dentistry, Pharmacy and Nursing).

Art. 58

www.umft.ro

- (1) The allocation of credits shall be made in accordance with the methodology of the European Credit Transfer System, according to which 60 credits are the numerical equivalent for the normal amount of work for an academic year and 30 credits usually correspond to one semester of higher education.
- (2) The allocation of credits covers all subjects in the curriculum, including internships.
- (3) The compulsory and optional subjects chosen are credited within the limit of the 60 credits corresponding to the academic year, usually equally distributed over the two semesters.
- (4) Once chosen, the optional subject becomes compulsory.
- (5) It is possible to obtain credits beyond the allotted number of credits by attending and promoting optional subjects included in the curriculum of each year/semester of university studies.
- (6) The optional and optional subjects taken additionally during an academic year benefit from additional credits, which are recorded in the diploma supplement. These subjects are not taken into account when calculating the student's weighted average.
- (7) If more than one optional subject is offered in the same semester or year of study, the number of credits may exceed the minimum threshold mentioned in paragraph (1).
- (8) The bachelor's exam is credited separately with 10 credits, which will be added to the 180-240 ECTS credits (for bachelor's studies of 3-4 years duration)/300-360 ECTS credits (for bachelor's studies of 5-6 years duration) accumulated until the bachelor's degree.

Art. 59

- (1) For each subject, the number of credits allocated is determined according to the amount of work required in that subject in relation to the total amount of work required to pass the entire year of study.
- (2) The amount of work covers the hours of lectures, seminars, laboratories, as well as the hours of individual study, writing papers, etc., necessary for the preparation and promotion of the subject.
- (3) The credit allocation system is established by the University management, following the proposal made by the Faculty management, in accordance with the specific teaching activity.
- (4) A credit is given for the amount of work a full-time student is expected to do to equal 25 30 (conf. Ord. M.E. No. 6768/2023, as amended and supplemented, Methodology for granting transferable credits in lifelong learning) hours of preparation for the acquisition of learning outcomes:
 - academic preparation - consisting of teaching hours, which are allocated to: teaching - courses/lectures, practical application - seminars, laboratories, projects, research and work visits, assessment - dissertations, exams. It is recommended that the volume of applied hours should be at least equal to the volume of lecture hours;
 - individual preparation/study - including: study of lecture notes, study of course materials, textbooks, books, study of minimum recommended bibliography, carrying out specific preparatory activities for project, laboratory, homework, reports, additional library documentation, internet documentation, preparation for presentations or tests, preparation for final examination, consultations. It is recommended that the number of hours of individual preparation should be equal to or greater than the number of teaching hours.
- (5) An academic year, corresponding to a minimum of 60 ECTS credits, comprises a total of 1,500-1,800 teaching and individual study hours related to compulsory and optional teaching activities.
- (6) The number of credits allocated to a subject does not reflect its importance, which is regulated by the classification of subjects into compulsory, optional and optional.
- (7) Credits do not assess student competences and should not be confused with grades.

- (8) Credits do not measure the working time of the teacher, only the student.
- (9) Only credit units are used in the UMFVBT, without fractions. A subject may not be allocated less than one credit unit and is normally between 2 and 5 credits.
- (10) Subject credits cannot be earned in stages.
- (11) The compulsory subject "Physical Education" is allocated 1 credit, awarded in addition to the compulsory credits and cannot be transferred to reach the compulsory credits. Promotion in Physical Education is compulsory.
- (12) A maximum of 2 credits can be allocated to an optional subject.

Art. 60

- (1) Credits are awarded on passing the subject (passing a subject means obtaining the minimum grade of five or the pass mark). The award of credit shall certify that the workload defined by the number of credit units has been carried out for the assessment result.
- (2) An examination passed in a previous academic year is recognized as passed, even if the number of credits allocated for the discipline in question is modified by the faculty secretaries. This provision shall also apply accordingly if, following a change in the syllabus, a subject with a one-year examination becomes a subject with two semester examinations or a subject with two semester examinations becomes a subject with a one-year examination.
- (4) During the duration of a study program, the credits obtained by a student remain valid, unless the student renounces the grade obtained, under his/her own responsibility, in order to change the grade in the re-examination session.

V.2. Specialized (summer) internship

Art. 61

Specialized internship carried out during the summer is a compulsory subject, credited separately in the curriculum and finalized with the grade ADMIS/RESPINS, which aims to consolidate theoretical knowledge, training and development of general and specialized professional skills and practical skills specific to the specialization for which the student is preparing within the study program.

Art. 62

Within UMFVBT, the students' specialized practice is carried out according to the **Regulation on the organization and conduct of students' specialized practice** and has the following objectives:

- consolidation of theoretical knowledge and training of the student's practical skills in order to apply them in accordance with the program of studies for which he/she is being trained;
- Adapting students' knowledge and practical skills to the labor market by carrying out a summer internship in specialized health/pharmaceutical units;
- exploring and capitalizing on employment opportunities for graduates, according to their training and skills;
- ensuring excellence in teaching and promoting values in the spirit of academic freedom, in the context of national and international culture and civilization.

Within UMFVBT, the form of organization of undergraduate degree programs is **full-time**, in accordance with the provisions of art. 32, para. 1, letter a) of Law no. 199/2023.

Art. 64

Regardless of the sources of funding for studies, students enrolled in full-time study programs are obliged to participate in all types of activities described in the subject descriptions, provided in their curricula. Attendance in lectures, practical work, seminars, projects and internships are criteria for participation in the final examination to evaluate the knowledge acquired during a semester.

Art. 65

- (1) Records of absences are kept by the course holder for the entire duration of the program of study.
- (2) For exceptional situations caused by personal events (marriage, death in the family), students may be exempted from teaching for a maximum of 5 working days and the corresponding reasons for absences, with their recovery, free of charge.
- (3) For motivation, students will submit a request to the course holder, accompanied by supporting documents.

V.4. Student assessment

Art. 66

- (1) The method of evaluation of students is proposed by the Heads of Discipline, approved by the Head of Department and approved by the Dean of Faculty.
- (2) Final and mid-term assessment must be objective, reproducible and characterize the student's professional performance.
- (3) Students' knowledge is assessed with marks from 1 to 10, the minimum pass mark being 5. Assessment consists of an examination of theoretical and, where appropriate, practical knowledge.
- (4) The examination and marking rules must be known and respected by the entire academic community. In case of non-compliance, confirmed by the CEAC, the examination may be canceled and the responsible persons will be sanctioned according to the UMFVBT Internal Regulations.
- (5) Completion of work in the subjects is achieved by examination or colloquium, as stipulated in the curriculum.
- (6) The examination may be in the form of a written test (grid test, essay or mixed subject), an oral test, a practical test or another means of testing knowledge, depending on the specific subject.
- (7) The colloquium is a form of verification of knowledge acquired by students and can be held in the week preceding the session, without disrupting the teaching activity or in the regular session.
- (8) Assessment in examinations must be objective and reproducible and characterize the student's professional performance.

Art. 67

- (1) The structure of the academic year foresees the following examination sessions: two ordinary sessions (winter and summer), two sessions of retakes (winter and summer), one re-examination/grade review session (summer, for final year students, and fall, except for final year students).
- (2) Exams can only be taken in exam sessions, an integral part of the structure of the academic year, approved by the Board of Directors and endorsed by the University Senate.
- (3) By exception to the provisions of para. (2), if there is evidence that the examination was conducted irregularly or that the student was assessed incorrectly, students who have a single examination that was

not passed in the re-examination session may request, on the basis of an appeal submitted to the Faculty Secretariat within 24 hours of the communication of the results, to resit the examination before a committee appointed by the Dean, with the annulment of the examination previously taken.

Art. 68

- (1) For all subjects/disciplines of study there will be a single scale and bibliography, regardless of the number of teaching staff.
- (2) In the first two weeks after the beginning of the academic year, each subject must post the subject description, which includes the examination syllabus, the bibliography of reference and the assessment and marking procedures, the criteria on the basis of which students are admitted to the examination and the way in which the final mark is calculated, i.e. the weighting of each paper in the final result.
- (3) The examination procedure and the specific requirements are made known to the students by the course holder during the first class session.
- (4) The content of the course textbook/practical assignments/stages and the list of bibliographical materials will be made available to students by publication or posting on the moodle.umft.ro platform.
- (5) Course topics must be updated and in line with the current needs and rigors of medical and pharmaceutical education.

Art. 69

The content of the coursebook/practical work/sessions must be known and agreed by all teaching staff in the subject, with the Head(s) of Subject(s) responsible.

Art. 70

- (1) Whatever form of assessment is used, the examination of all students in a subject should be uniform, both in terms of difficulty and in terms of the way in which it is carried out and the number of subjects examined.
- (2) The exam topic will be set according to the coursework/ practical work/ stages and will be unique for the same subject/subject, with the course leaders, the head(s) of subject and the department head being responsible.

V.4.1 Taking the exam

Art. 71

Only students who have fully fulfilled their professional obligations during the year, the conditions of attendance to teaching activities, as well as their financial obligations to the University, have the right to sit the exam.

Art. 72

- (4) Students are required to attend at least 50% of the courses in order to take the theoretical exam in the ordinary session.
- (5) Course absences are only made up within the same week, with another series if possible.
- (6) Students who accumulate more than 50% absences from classes will be allowed to take the theoretical exam in the session of the remaining classes and the re-examination (under the conditions of non-attendance/non-attendance in the session of the remaining classes).
- (7) The presentation of the practical exam is conditional on the student's participation in at least 80% of the internships/practical work.

- (8) Absences accumulated by students in internships/practical work in excess of the allowed amount (20%) may be made up, on a fee-paying basis, up to a limit of 30% of the total number of hours, in the periods established by each discipline, according to its specificity, preferably outside the semester.
- (9) Students who have been absent for well-documented medical reasons (hospitalizations, medical certificates countersigned by a medical specialist from the UMFVBT Evaluation Commission) may make up these absences without payment, depending on the subject program, provided that the number of absences does not exceed 50% of the total number of hours. Special situations are analyzed by the Dean of the faculty, on the basis of the request and the submitted documentation.
- (10) Students can make up absences without pay in the following situations:
- participation in national and international congresses, with evidence of active participation (papers presented orally/poster) with proof of the certificate of active participation/abstract published in the abstract book of the conference, as main author, based on a prior request addressed to the Dean of the faculty;
 - participation in workshops, exchange program, with proof of the student's presence at the respective event, based on a prior request addressed to the dean of the faculty;
 - days off approved by the university management for religious events.

Art. 73

(1) The student has the right to take the examination in a particular subject only once in the ordinary session. The student will be allowed to sit for the examination no more than 3 times during an academic year in the following sessions:

1. Ordinary session (winter/summer) - for the semester in which the subject was taught;
2. Remedial session (winter/summer) - for the semester in which the subject was taught (in case of failure to pass or no-show in the regular session);
3. Re-examination session (summer, for final year students / fall, except for final year students) for exams not passed (written, practical or both) and for exams for grade reconsideration.

(2) The student can take a maximum of 3 re-exams/ academic year.

(3) The first two sittings of the exam are free of charge if they take place in the ordinary session or in the session of the remaining papers.

(4) In order to take the exams in the re-examination session, the student will pay a fee as stipulated in the **Regulation on the amount of tuition fees and other fees at UMFVBT**, approved by the University Senate.

(5) Re-examination means sitting for the third time for a maximum of three failed examinations, including by not attending the examination.

(6) Attendance to the exams of the re-examination session is based on the individual ticket issued by the secretariat of the faculty, at the student's request, on the basis of a request submitted to the secretariat of the faculty, at least 3 working days before the exam. By exception, in cases where the exam schedule does not allow for the deadline and special situations, the faculty secretariat will issue the individual ticket on the day of the exam.

(7) Re-examinations for grade reconsideration are done with the approval of the Dean of the faculty for a maximum of three examinations in the current academic year. The re-examinations for the reconsideration of the qualification will be held in the session foreseen in the structure of the academic year. In order to be eligible for re-examination for the reconsideration of the co-qualification, the student must be a full student at the end of the session of the remaining marks.

Art. 74 The exams are only held according to prior planning.

Art. 75

Students will be informed of the form of the exam during their first course. The scheduling of the exams (in the ordinary session) is done by mutual agreement between the students and the teachers in charge of the course.

Art. 76

Exams are scheduled between 08.00-20.00. It is not allowed to exceed 20.00 for the completion of the examination, irrespective of how it is conducted.

Art. 77

The date, time and place of the examinations are communicated, in writing, to the Dean of the faculty, by the course holders and/or students, as appropriate.

The exam schedule is established by the course holders in agreement with the students and posted on the university website at least one week before the beginning of the session.

Art. 78

Each subject must offer at least two options per session for the choice of exam date in the resits and re-exams.

Art. 79

Examinations in different subjects may not be taken on the same day. This provision does not apply to examinations in the final and re-examination sessions.

Art. 80

In ordinary sessions, there must be an interval of at least two days between two successive examinations.

Art. 81

In exceptional cases, a student who, for objective reasons, is unable to take the exam according to the programmed exam series, may request in writing to the Dean of the faculty, the rescheduling of the exam with another series, provided that the teaching staff is the same. The reasons must be supported by documentary evidence. Failure of the student to attend the examination as scheduled, without supporting documents and without the approval of the Dean and the course holder will result in the loss of the possibility to sit the examination.

Art. 82

Students may schedule the exam on any day of the session, including Saturdays and Sundays, by mutual agreement with the teacher.

Art. 83

Students are required to report for the exam at the time and place announced and scheduled (possibly 10-15 minutes before).

Students are admitted to the exams on the basis of the student booklet officially attesting their student status and/or the individual catalog issued by the Dean's Office, in the case of outstanding credits, credits in advance or difference exams.

Art. 85

In the ordinary session, the student will have to show the student card (with a temporary attestation from the Dean's Office) and identity card (or passport).

Art. 86

The teachers attending the examination are required to identify the students and to verify that the identity in the student's booklet corresponds to the one in the catalog issued by the Dean's Office.

Art. 87

Students are assigned to the examination room according to the decision of the teachers supervising the examination.

Art. 88

During the exam, students will have all means of communication closed.

Art. 89

(1) Audio and/or video recordings of teaching activities are made only with the written consent of the person conducting the activity and without infringing intellectual property rights.

(2) Multiplication, in any form whatsoever, of records of teaching activity by students or other persons is permitted only with the written consent of the teaching staff concerned.

Art. 90

In specific subjects, a computer may be used, with the approval of the examining teacher, where this is part of the examination.

Art. 91

The substitution of a person in an examination is forbidden and is punishable by expulsion of both the student who has been substituted and the student who has substituted.

Art. 92

(1) Bags, outerwear, and cell phones are to be stored in places specified by the supervising teacher, not on or near students.

(2) Students will not carry cell phone(s) or other electronic devices capable of communication or data retrieval. Cell phone(s)/cell phones in bags/purses must be switched off when entering the examination room and remain switched off for the duration of the examination.

Art. 93

The discovery on a student's person, during the examination, of electronic devices capable of communication or consultation of data, is considered attempted fraud, even if the devices have not been used.

Art. 94

Students with hearing loss and who require the use of hearing aids must notify the course holder of this condition at least 72 hours before the examination. The course holder has the right to request medical documentation of the student's need for hearing aids.

Art. 95

Students may not leave the exam room earlier than 30 minutes after the start of the exam.

Art. 96

Students are required to carry a pen or pencil and all permitted materials necessary for the examination. Any requests or questions may only be asked aloud and only with the permission of the supervising teachers.

Art. 97

The grids are to be filled in only on the standard forms available at the UMFVBT lithography and which are distributed to the students by the teachers.

Art. 98

During the examination, communication between students is forbidden.

Art. 99

For any type of exam the last 3 students must remain in the room until all students have completed the exam.

Art. 100

- (1) On leaving the examination room, students must hand in the written paper and any signed sheets they have with them and sign for the hand-in.
- (2) During the exam, teachers do not carry out any activities other than supervising students.

Art. 101

The actual duration of the examination is displayed by teachers by writing it on the blackboard.

Art. 102

The final mark of the examination is recorded in the student's booklet with the course holder's signature.

Art. 103

- (1) Attempted cheating (discovering, during the examination, phones/other electronic devices that are in a non-functioning/closed state or printed/written materials on or near the students, without consulting them) is penalized by elimination from the examination and failing the examination.
- (2) Fraud (catching the student in the act while using/consulting the above mentioned written materials or electronic devices, including the identification on or near the student of functioning/unlocked telephones/electronic devices) is punishable by expulsion, without the right to re-enroll in UMFVBT.
- (3) The Examination Board will refer, in writing, to the Ethics Commission of UMFVBT the examination fraud, for analysis and resolution. The Ethics Commission of UMFVBT shall determine the sanction, in accordance with the provisions of this Regulation, the Code of Ethics and Academic Deontology of UMFVBT and the University Regulations, which will be implemented by the Rector's decision.

V.4.3 Grading exams

Art. 104

The exam grade should represent the level of the student's theoretical and practical knowledge.

Art. 105

The final mark may be the result of a single final assessment or the arithmetic average of the exam mark and the mark of the practical examination or other forms of assessment.

Art. 106

A subject is passed if the final mark is at least 5.

Art. 107

(1) The examination passed or only the practical part passed are recognized for the entire period of studies in the respective study program, unless the student waives the grade, on his/her own responsibility, in order to reconsider the grade in the re-examination session.

(2) At the end of the first cycle of studies, represented by the third year - for the Medicine and Dentistry study programs and by the second year - for the Pharmacy study program, the student must accumulate all 180 credits, respectively 120 credits.

Art. 108

(1) If the student is not satisfied with the grade obtained in the exam, he/she has the right to request a re-examination in order to reconsider the grade, on a fee-paying basis.

(2) Re-examination for reconsideration of the grade of the exam passed may be requested, in writing, for a maximum of two exams from the curriculum of the current year of study, only if the student is a full student at the end of the session of the remaining exams.

(3) The mark obtained in the re-examination for grade reconsideration is final and may result in an increase in the mark, a decrease in the mark or failure of the examination with loss of credits.

(4) If the student fails to appear for the examination, although there is a written request from the student for re-examination and reconsideration of the grade, the grade previously obtained is recognized.

(5) If the student takes only one part of the exam and withdraws in the other part, the exam is considered failed, with loss of credits.

Art. 109

(1) The exam results are communicated to the student on the spot or within 2 working days (except for the last day of the session when the results will be communicated on the same day) after the exam, and are obligatorily recorded in the exam catalog (ticket) / exam result and in the student's book.

(2) Subject grades are not displayed unless they are anonymized.

(3) The completed and signed catalog shall be handed in to the faculty secretariat, upon signature, by a member of the examination board/ a representative of the discipline, at the latest on the day after the end of the marking session (in the case of winter/summer sessions), respectively of the re-examination/grade reconsideration session (in the case of fall session).

- (1) The student has the right to see the work and receive an explanation of the grade within 24 hours of the results being announced. In this respect, the course holder is obliged to set a time limit within which students may consult their work.
- (2) Students who feel that they have been unfairly penalized after examining their own work may challenge the result.
- (3) A student can only challenge their own results.
- (4) Complaints by students about the conduct of the examinations, the marking procedure or the results of the examination must be submitted to the faculty secretariat within 24 hours of the notification of the results.
- (5) Students' complaints will be analyzed by a resolution committee appointed for this purpose by the Dean of the Faculty. The committee analyzes the situation presented by the student and draws up a report on compliance/non-compliance with institutional regulations and procedures.
- (6) If the Dean of the faculty, on the basis of the report drawn up by the appeals committee, finds that there is evidence that the examination was conducted irregularly or that the student was incorrectly assessed, he/she may, on the basis of the report drawn up by the appeals committee, annul the result of the examination and order a new examination by a committee established by the Dean, made up of 3 teaching staff, in compliance with the examination procedures laid down for the discipline in question. The re-examination, in these circumstances, does not lead to a reduction in the total number of possible presentations for passing an examination.
- (7) The answer to the appeal shall be communicated in writing to the student, the teacher involved and the head of department, within 48 hours of its submission.

V.5. Passing exams

Art. 111

- (1) Medical education is organized, according to the Bologna process, in two cycles: pre-clinical (years I-III, totaling 180 credits - for university studies offered in a 6-year combined program, years I-II, totaling 120 credits - for university studies offered in a 5-year combined program) and clinical (the following 3 years, totaling 180 credits), according to the provisions of the University Charter.
- (2) For study programs with 180-240 ECTS credits within the UMFVBT faculties, the curriculum involves a single study cycle.

Art. 112

- (1) The promotion of a year of studies within a cycle requires obtaining a minimum of 45 credits out of the total of 60 credits allocated/year, with the specification that the number of credits remaining is a maximum of 15 credits accumulated in the last two years of studies, according to ARACIS standards.
- (2) Passing a study cycle implies passing all the subjects and the total number of credits foreseen for each study program. At the Faculty of Medicine and Dentistry, students are required to accumulate the 180 credits/cycle at the end of a study cycle, i.e. years III and VI. At the Faculty of Pharmacy, students are required to accumulate 120 credits/cycle at the end of a study cycle, i.e. the second year, and 180 credits at the end of the fifth year, for the second cycle. (3) **The** minimum passing grade is 5 (five), both in the practical and theoretical examinations.
- (4) A test passed, even in the absence of passing the exam, will be recognized throughout the years of study.
- (5) Marks of less than 5 require you to repeat the examination at a future session.

Art. 113

- (1) The overall average of the year of study is calculated for each year of study **as an arithmetic average, respectively as a weighted average**, taking into account all compulsory subjects (including the optional chosen as compulsory) taken by the student **and their number of credits**, after the end of the session of the remaining credits or the session of the re-exams.
- (2) Compulsory subjects are those set out in the syllabus for the year of study.
- (3) The weighted average is used for:
 - Annual reclassification of students;
 - Classifying students for academic performance incentive grants;
 - Classifying students for places in student camps;
 - Selection of students for internal and international mobility.
- (4) The provision of para. (3) shall apply to students enrolled as from the academic year 2016-2017.

Art. 114

An examination passed in a previous academic year is recognized as passed, even if the number of credits allocated to the subject changes.

Art. 115

In the years inside the cycles in study programs with 300 and 360 ECTS, the school situation can be:

1. Full pass - if you have obtained all 60 credits;
2. Promoted with remaining credits - if he/she has obtained a minimum of 45 credits out of the total of 60 credits allocated/year, with the specification that the number of remaining credits is a maximum of 15 credits accumulated in the last two years of study;
 - a) In both cases (points 1 and 2), the student may enroll in the following year of study.
 - b) Students who will be taking exams remaining from previous years (credits remaining) will be able to sit for the exam only on the basis of the individual exam catalog, issued by the faculty secretariat.
3. Repeat - if the student has not obtained a minimum of 45 credits/year or if the number of credits remaining in the last two years within the cycle exceeds 15 credits. In these situations, the student is entitled to enroll in a complementary year;
4. Expelled with the right to re-register in accordance with the provisions of Chapter VII of this Regulation.

CHAPTER VI. EXTENSION OF SCHOOLING (COMPLEMENTARY YEAR. MEDICAL EXTENSION). INTERRUPTION OF STUDIES. WITHDRAWAL FROM STUDIES. DROPPING OUT

Art. 116

Students are required to complete their studies within a time limit that is no more than twice the normal duration of tuition for the program in which they are enrolled.

VI.1 Complementary year

Art. 117

- (1) Students who have not obtained a minimum of **45 credits out of the total of 60 credits allotted/year** or if the number of credits remaining in the last two years of the cycle exceeds 15 credits, may continue their studies during a complementary year, based on the signing of a new study contract.
- (2) The complementary year means a repetition year with the possibility of obtaining a maximum of 30 credits in advance.

(3) The complementary year extends the total duration of your studies.

Art. 118

During their studies, a student may be enrolled in a complementary year more than once in order to pass the same year of study, but not more than twice the normal length of tuition for the program in which they are enrolled.

Art. 119

(1) The application for enrollment in the complementary year should be submitted in writing to the faculty secretariat, after the end of the exam session or at the latest 10 working days before the beginning of the academic year, otherwise the student will be expelled for non-enrollment.

(2) In the complementary year, the student pays a tuition fee proportional to the number of credits outstanding, but not more than the equivalent of 60 transferable credits in relation to the tuition fee for the year of study in which he/she enrolls. By outstanding credits is meant all outstanding credits within the cycle, not passed at the date of enrolment in the complementary year, in accordance with the Regulation on the amount of tuition fees and other fees.

(1) For foreign students (third-country nationals) studying on their own currency, the tuition fee for the complementary year will be at the same level as the tuition fee for the year of study in which they enrolled, in the amount provided in the Regulation on the amount of tuition fees and other fees within UMFVBT, approved by the University Senate.

(3) Upon return from the complementary year, the student may reclassify to a budgeted place, under the criteria mentioned in Chapter IX of this Regulation.

(4) Students enrolled in a complementary year are not entitled to a scholarship.

(5) A student enrolled in a complementary year, who is dissatisfied with a mark obtained in an exam for the year he/she is repeating, has the right to repeat the study of the subject, respecting the structure of the academic year.

Art. 120

(1) Students who do not obtain the credits required for promotion to the following academic year and are enrolled in a complementary year, must satisfy the curriculum requirements of the class with which they resume their studies.

(2) In the complementary year, the student's teaching obligations are limited to non-promoted subjects and new subjects, in case of a change in the curriculum.

(3) In the case of students enrolled in a complementary year, the grades (including partial grades) will be kept in the record of the subjects and the credits obtained in the subjects promoted in the previous year, including credits obtained in advance, remain valid and will be transcribed by the secretaries of the faculties in the centralized grade book.

(4) Students enrolled in the complementary year must comply with the requirements of the curriculum of the graduating class. In the case of changes, the secretaries of the faculties will indicate in the applications for enrolment in the complementary year the subjects in which students must sit exams/differential exams by change of curriculum. Aligning the academic situation of students enrolled in the complementary year with the curriculum of the promotion, by adding or deleting subjects, may lead to a change in the overall average of that year. Differential examinations established by a change of syllabus are taken without financial obligation.

- (1) Students enrolled in a complementary year may opt to partially follow the curriculum of the year of higher education, thus obtaining credits in advance.
- (2) Students who, in the complementary year, apply for credit in advance will pay the full tuition fee.
- (3) Obtaining credits in advance for a year of study is not followed by a reduction in tuition fees for that year.
- (4) The option to follow, in part, the curriculum of the higher year is submitted to the Dean's Office of the faculty within the deadline for student enrollment.
- (5) The application is endorsed by the course holder and the Head of Discipline and approved by the Dean of Faculty. The student is required to submit a copy of the application approved by the Dean in the discipline in which he/she is requesting credit in advance, indicating the group with which he/she will carry out the practical work/internships.
- (6) The number of credits taken over from the higher year is limited to 30 units. The sum of outstanding and assumed credits from the upper year may not exceed 60 in an academic year.
- (7) Credits will not be approved in advance for subjects with continuity if they have not been promoted in previous years.
- (8) One week before the exam, during the exam session, students will request an individual catalog with which they will take the exam.
- (9) Depending on the timetable of credits remaining, the student in the complementary year may carry out teaching activities and take exams in subjects in the immediately following year, with the approval of the course holder and provided that the student fulfills all teaching obligations (attendance, practical work, internships).
- (10) The distribution in series or module will be done without overlapping the timetable of credits (subjects) remaining from the complementary year with the timetable of credits assumed from the higher plan. The examination of students enrolled in the complementary year and taking subjects in the upper year will be carried out in the same way as for other students, who will have the possibility to sit for an examination three times during an academic year.
- (11) Any credits obtained in advance are not taken into account when calculating the credits required to pass the year of study. Credits taken in advance are taken into account only for the semester/year to which the subject taken in advance belongs.

Art. 122

If, upon returning from the complementary year, the repeated undergraduate program no longer exists, the student may opt for a program similar in content. If such a program does not exist, the University has no obligation towards students in this situation.

VI.2 Medical prolongation

Art. 123

- (1) Students who have not passed the next academic year for medical reasons may be re-enrolled in the same academic year under the following conditions:
 - a) have been hospitalized for more than 60 calendar days; or
 - b) have had sick leave of more than 60 calendar days, including hospitalization for at least 20 consecutive days.
- (2) In this regard, students will submit a request for a medical extension of schooling to the secretariat of the faculty, together with the supporting documents endorsed by the Medical Commission of the university, within a maximum of 10 days from the end of the period of medical exemption mentioned in the medical certificate.

(3) The documents will be reviewed and endorsed by the Medical Commission of the university, the Dean of the faculty and the Board of Directors.

Art. 124

When resuming their studies, students who have benefited from a medical extension of tuition will resume their place, whether on tuition fees or on a budgeted basis, at the time of the request for a medical extension.

Art. 125

(1) Budgeted students who have not obtained the required number of credits for medical reasons will follow the complementary year without financial obligations.

(2) The request to resume studies without financial obligations will be approved by the Dean of the faculty and approved by the Administrative Board.

Art. 126

(1) Medical prolongation of schooling can be granted only once during the entire schooling for 1 year.

(2) In exceptional circumstances, the Board of Directors of the University may approve additional medical prolongation of schooling.

Art. 127

(1) In the year of the medical extension of schooling, students must meet the curriculum requirements of the class with which they are resuming their studies.

(2) The student's teaching obligations are limited to unpromoted subjects and new subjects in the case of curriculum changes.

(3) The marks of the exams passed in previous years are recognized by the faculty secretariats.

(4) In the case of curriculum changes in newly introduced subjects, students will sit difference exams without financial obligations.

Art. 128

If the repeated undergraduate program no longer exists when the student resumes his/her studies, the student may opt for a program similar in content. If such a program does not exist, the University has no obligation towards students in this situation.

VI.3 Interruption of studies

Art. 129

(1) Interruption of studies may be approved for a period of up to two years during the normal duration of the degree program.

(2) Student status is suspended during the interruption of studies.

(3) The request for interruption of studies must be submitted in writing to the faculty secretariat, no later than the beginning of the session for the second semester.

(4) The request for interruption is approved by the Dean of the faculty and approved by the University's Administrative Council.

Art. 130

The period for which the student benefits from free tuition, in accordance with the legislation in force, is not affected by the period for which the interruption of studies has been approved.

Art. 131

(1) Studenții în regim cu taxă au obligația de a achita, integral, taxele de școlarizare pentru anul universitar în curs, cu respectarea prevederilor Regulamentului privind cuantumul taxelor de școlarizare și alte taxe în cadrul UMFVBT.

Art. 132

- (1) Exams passed up to the date of interruption of schooling are recognized by the faculty secretariats.
- (2) Students who have interrupted their studies are obliged, when they resume their studies, to fulfill any teaching obligations resulting from the modification, in the meantime, of the curricula, by studying the newly introduced subjects and taking the difference exams, without financial obligations.
- (3) This fact must be communicated to the student at the time of the interruption of studies, indicating on the request for interruption that he/she is aware of this fact.
- (4) If, upon return, the interrupted undergraduate program no longer exists, the student may opt for a program similar in content. If such a program does not exist, the University has no obligation towards students in this situation.

Art. 133

- (6) At the end of the interruption of studies, the student must submit an application to resume his/her studies during the enrolment period, otherwise he/she will be expelled for non-enrolment.
- (7) When resuming their studies, students resume their place on the budget or fee-paid place held at the time of the interruption.

VI.4 Withdrawal from studies

Art. 134

- (2) The student has the right to request withdrawal from his/her studies, through an application submitted to the Dean's Office, which will be approved by the Dean, taken into account by the CCOC, and approved by the University's Administrative Council.
- (3) The tuition fee student has the obligation to pay, in full, the tuition fee for the current academic year, in compliance with the provisions of the Regulation on the amount of tuition fees and other fees at UMFVBT.
- (4) The original documents from the personal file will be released only after the submission of the complete liquidation note to the Dean's Office.

Art. 135

- (1) In the event of withdrawal, regaining the student's status at UMFVBT is possible only by taking a new admission examination, except in the cases provided for in paragraph. 2.
- (2) Re-enrollment without an entrance examination may be approved, upon written request of withdrawn students, within a maximum of 5 years after their withdrawal from UMFVBT, with the consent of the Dean of the faculty and the opinion of the Administrative Council, by decision of the Rector, under the conditions provided for in the present regulation on re-enrollment. Exempted from this provision are students who have withdrawn from the University in the first year of study.
- (3) The application for regaining the student's student status is submitted to the secretariat of the faculty, during the enrollment period.

VI.5 School drop-out

Art. 136

At UMFVBT, dropout is defined as:

- failure to register within the deadline provided for in this Regulation.
- withdrawal from studies.

CHAPTER VII. EXPULSION

Art. 137

(1) In the following situations, students will be expelled with the right to re-enroll in UMFVBT:

- failure to register/sign the study contract or the additional documents to it, within the deadlines set by the University regulations;
- failure to pay the tuition fee within the deadlines set by the University regulations;
- failure to submit an application to resume your studies within the prescribed deadline when the interruption of studies expires;

(2) In the following situations, students will be expelled without the right to re-enroll in UMFVBT:

- exceeding twice the normal length of tuition in the program in which the student was enrolled;
- exam cheating (catching the student in the act of using/consulting the above-mentioned written materials or electronic devices, including the identification on or near the student of functioning/open phones/electronic devices);
- serious breaches of the rules of social coexistence inside or outside the university;
- Conducting actions of any kind (verbal or written) aimed at discrediting the university or any member of the academic community or seriously damaging its image and prestige;
- deviations from academic discipline and ethics and for non-compliance with university regulations, at the proposal of the Faculty Council and/or the Ethics Commission of UMFVBT, by decision of the Rector.

(3) After expulsion, the person concerned loses his/her student status and UMFVBT is no longer bound by any obligations towards him/her.

Art. 138

In the event of a new enrolment through a competitive entrance examination, the results obtained previously are not recognized and cannot be recognized and cannot be equated in UMFVBT.

CHAPTER VIII. RE-REGISTRATION

Art. 139

(1) Re-enrollment is done within the deadline set for student enrollment, based on application, with the consent of the Dean of the faculty and the opinion of the Administrative Council, by decision of the Rector, subject to the signing of the study contract and payment of tuition fees.

(2) Expelled students may be re-enrolled within a maximum of 5 years from the date of expulsion, within the same study program, with the exception of students who were expelled in the first year of study and those who were expelled without the right to re-enroll.

(3) UMFVBT students who have withdrawn may be re-enrolled within a maximum of 5 years after their withdrawal, within the same study program, except for students withdrawn in the first year of study.

(4) Students enrolled under Law no. 84/1995 and who have been expelled or withdrawn cannot be re-enrolled.

Art. 140

(1) Re-enrolment will be on a tuition fee basis for the duration of your studies, keeping your original enrolment number.

(2) Students will also have to pay a re-enrollment fee, as stipulated in the **Regulation on the amount of tuition fees and other fees at UMFVBT**, approved by the University Senate.

Art. 141

(1) Re-enrolment is done in the year of study corresponding to the number of equivalent/recognized transferable study credits obtained up to the moment of expulsion/withdrawal, by making the learning plans compatible.

(2) Re-enrolment is approved with the passing of any difference exams, where applicable.

(3) Permanent academic mobility is not allowed in the year of re-enrolment.

(4) Students can only be re-enrolled once during their studies.

Art. 142

(1) Students who have been expelled or have withdrawn from other faculties in the country acquire the student status after passing the admission contest at the "Victor Babeș" University of Medicine and Pharmacy "Victor Babeș" in Timisoara.

CHAPTER IX. CRITERIA AND PERFORMANCE STANDARDS FOR ANNUAL RECLASSIFICATION OF STUDENTS

Art. 143

The provisions of this Regulation shall apply:

- all faculties/study programs (excluding master's and doctoral programs) within UMFVBT;
- all students enrolled after an admission competition in all faculties/programs of study (excluding PhD) at UMFVBT.

Art. 144

(1) In accordance with Law no. 224/2005, at the beginning of each academic year, students will be reclassified on budgeted study places, according to the weighted average of the previous academic year, in descending order, starting with the full-registered students.

(2) The system of annual reclassification of students in order to fill the places financed from the state budget for undergraduate studies, according to the weighted average, is applied in UMFVBT starting with the first year, academic year 2016-2017.

(3) The reclassification refers to the state-funded places of each year of study at UMFVBT, remaining available after keeping the budgeted places for the following categories of students:

a. students who were eligible for social grants in the previous academic year;

- b. students who benefit from a medical extension of their tuition fees retain the status they had (budget/fee) in the year prior to the year before the interruption;
 - c. students who have resumed their studies after the interruption;
 - d. students who have been admitted to the places financed from the state budget, allocated to Roma candidates, graduates of high schools located in rural areas, respectively graduates with baccalaureate diploma from the social welfare system.
- (4) In the category of social grants referred to in para. 2 lit. (b) shall not include occasional social grants.

Art. 145

(1) Budgeted study places will be filled following reclassification, in descending order of weighted averages, in the following order:

1. Full-time students with no outstanding credits from previous years;
2. students promoted with only one outstanding balance from the previous year;
3. students who have been promoted with a failure.

(2) In the event of a tie in the distribution averages, the tie-breaking criteria used sequentially until the first tie is reached are, in the following order:

1. The grade/average of the grades obtained in the subject with the highest number of credits in the previous academic year;
2. The grade/average of the grades obtained in the subjects with the highest number of credits, in descending order, in the previous academic year;
3. Arithmetic average of the weighted averages of the previous academic years.
4. The average obtained in the admission exam to UMFVBT".

(3) In the case of students who have passed the exams with failures, the weighted average is calculated by giving the grade 0 (zero) to the exams that were not passed.

Art. 146

(1) For the purposes of this regulation, the student is a fulltime student, the student who has obtained 60 credits corresponding to the completed study year, by passing the exams in compulsory subjects and the optional subject chosen, according to the study contract.

(2) The exam(s) not passed in previous years affect the status of a full-timer [e.g., a student who is a full-timer of the second year and could be budget pass according to the average, if in the first year he/she had one exam remaining will be reclassified according to the provisions of this regulation.

(3) At the end of the first cycle (3rd year - Faculty of Medicine and Dentistry, 2nd year - Faculty of Pharmacy), the student must accumulate all 180 credits and 120 credits respectively.

Art. 147 The following categories of students are not reclassified:

- a. fee-paying students who have graduated from another university on a budget;
- b. fee-paying students who have graduated from another university (regardless of the funding regime, budget or fee) and have not taken an entrance exam;
- c. students who have been expelled and re-enrolled with fees until the end of their studies in the year in which they were re-enrolled;
- d. students enrolled on fee-paying places, following the approval of mobility from private universities or the recognition of periods of study in other higher education institutions abroad;
- e. students admitted to studies on the basis of the Letter of Acceptance and/or without an admission contest (non-EU - own currency account);
- f. students admitted to programs for which the places offered are fee-only;
- g. Romanian students abroad;

h. Romanian, EU, EEA and CH students who have been admitted to tuition fee study programs in foreign currency (with admission contest) in Romanian and English/French respectively.

Art. 148 Students admitted by mobility from another accredited higher education institution in Romania, who meet the conditions for promotion of the academic year, keep their form of financing (budgeted or fee-based) only in the first academic year from the moment of approval of the definitive academic mobility.

Art. 149 Olympic students admitted on a budgeted place, without an entrance exam, will keep their budgeted place only in the first year of study.

Art. 150

(1) Students benefiting from a one-year mobility grant keep the status (budgeted or fee-paid) they had in the year prior to departure, provided they pass the year of study.

(2) Students benefiting from a one-semester mobility grant will be reclassified according to the provisions of this Regulation.

Art. 151 Upon return from the complementary year, the student may be reclassified to a budgeted place, under the conditions of the criteria mentioned in art. 164 of the present regulation.

Art. 152 Students who have lost their state-funded places can continue their studies with tuition fees.

Art. 153

(1) The weighted average is expressed by the sum of the products of the grades obtained (N) in compulsory subjects and the credits related to the subjects (C), related to the total number of credits of the respective year, except for Physical Education (**where this subject is not compulsory or not for credit**) and specialized (summer) practicum, according to the formula: $M = \sum N C_{pnn} / 58$.

(2) When calculating the weighted average of the year of study, the compulsory subjects and the chosen optional subject, promoted by the student and their number of credits, after the end of the session of retakes or the session of re-exams, are taken into account.

(3) Optional subjects taken additionally during an academic year benefit from additional credits, which are only recorded in the Diploma Supplement. These subjects are not taken into account when calculating the student's GPA.

(4) Optional subjects taken additionally during an academic year benefit from additional credits, which are only recorded in the Diploma Supplement. These subjects are not taken into account when calculating the student's GPA.

(5) Any credits obtained in advance are not taken into account when calculating the credits required to pass the year of study. Credits taken in advance are taken into account only for the semester/year to which the subject taken in advance belongs;

Art. 154 **The reclassification of students** in order to allocate budgeted places is carried out by the secretarial staff of each Dean's Office, with the support of the IT Department, verified and certified, under signature, by the Dean of each faculty.

Art. 155 **Reclassifications** are announced and posted on the Dean's Office notice board in the first week of the academic year.

Art. 156

- (1) Any possible appeals regarding the annual reclassification of students should be submitted within 48 hours after their posting, to the Dean's Office of the faculty, through the University Registry, room 1, 08.00-14.00.
- (2) The resolution of appeals is the exclusive competence of the Dean of the faculty.
- (3) After any appeals have been resolved, the lists with the students' reclassification will be drawn up and displayed, containing the final and indisputable results.

Art. 157

- (1) Candidates who have received partial funding from the state budget within a bachelor's degree program and have been declared admitted to the admission contest organized at the "Victor Babeș" University of Timisoara, will be enrolled on fee-paying places, starting with the first year of studies.
- (2) The category of students referred to in paragraph (1) has the right to reclassification on budgeted places, only after passing, in fee-paying regime, the number of years of studies corresponding to those previously followed, in fee-free regime, in compliance with the criteria and performance standards for the annual reclassification of students, established by the university management.
- (3) Tuition fee students who have reclassified to places financed from the state budget are obliged to submit the original baccalaureate diploma to the secretariat of the faculty/department, no later than the last day set for the enrollment in the academic year, but no later than 30 calendar days after the beginning of the academic year, under penalty of **losing the state-funded place obtained by reclassification.**

CHAPTER XII. DIPLOMAS / CERTIFICATES

Art. 169

(1) The conditions for issuing the study documents are made public by posting them on the notice board of the Study Documents Secretariat, on the UMFVBT website (www.umft.ro) and presented in the **Study Documents Regulations**, approved by the Senate.

(2) At the issuing, the graduate is presented with the original ID/CI or passport, valid on the day of issuance of the study document(s).

Art. 170

(1) Holders or their proxies have the right to apply for the issue of the completed study documents no later than 12 months after passing the final examination.

(2) A study document relating to completed or partially completed studies is issued to the holder free of charge.

(3) If the holder is unable to attend, the transcript of studies may be issued to his or her proxy, on the basis of a notarized power of attorney/ power of attorney in copy, certified as a true copy, expressly stating that the proxy may collect the transcript of studies.

(4) If the notarial power of attorney was drawn up on the territory of another state, it shall be submitted in original, accompanied by the legalized translation. The power of attorney must be apostilled or supralegalized by the competent authorities of the State on whose territory it was drawn up, except for those drawn up in States which have concluded conventions, treaties or agreements with Romania on legal assistance in civil matters, which provide for exemption from any legalization.

Art. 171

(1) The study documents completed and not finalized by the titulars/appointees are kept in the UMFVBT archive with a permanent deadline.

(2) Study documents completed and not issued due to the death of the holder may be issued to a member of the holder's family (ascendant or descendant of first or second degree), based on a request approved by the Rector of UMFVBT, accompanied by a notarized copy of the death certificate and a sworn statement on the reasons for the withdrawal of these study documents.

(3) We accept powers of attorney made at Romanian embassies or consulates in various countries. Powers of attorney signed under the signature of the ambassador/consul do not need to be translated or apostilled / supralegalized.

Art. 172

In the event of loss, complete destruction or partial damage of a study document, a duplicate may be issued if the institution's archives contain the original of the document and/or other legal documents showing the holder's educational situation or, if the archives were destroyed in circumstances of force majeure (natural disasters, fire, etc.), by the institution's reconstruction of the educational situation.

Art. 173

(1) For the issuance of a duplicate of a study document, the holder shall address, in writing, to the Rector of UMFVBT a request, accompanied by the following documents:
