GRADUATES

The right to temporary stay for studies can be extended by no more than 6 months after graduation, in order to finalize the school or university situation, as well as to authenticate the study documents for this purpose - submit all the documents mentioned when extending the right of stay with the exception of the letter of acceptance to studies.

Also, the right of temporary residence for studies can be extended by 9 months after graduation, in order to look for a job and carry out employment formalities or in order to open a business, with the presentation of documents certifying the completion of studies. Proof of job search can be done by presenting a letter of intent from an employer or any other document that proves the fact that the foreign citizen is looking for a job.

CHANGE OF THE STUDY PROFILE

The foreigner who has been granted or, as the case may be, extended the right of stay for the purpose of studies in Romania can change the study profile or professional specialization, in accordance with the legislation in force, provided that the total duration of the stay provided for the initial studies not to be exceeded.
