International workshop

Dear Colleagues,

we are pleased to invite you to a specialized medical workshop on

Breast cancer therapy and modern breast surgery,

organized by our clinic. This workshop aims to bring together healthcare professionals to discuss the latest advancements in drug therapies and modern surgical techniques for breast cancer treatment.

Event Details:

Date: 19th-20th March 2025
Time: begin at 8:00 a.m
Venue: Clinic of Obstetrics and Gynecology,
Klinikum Freudenstadt
Karl-von-Hahn-Str. 100
72250 Freudenstadt

During this workshop, you will have the opportunity to interact with experts in this field, gain insights into the newest treatment options, and participate in practical discussions and live surgery on improving patient care.

This hands-on session will provide an invaluable learning experience, allowing you to observe real-time surgical procedures and gain firsthand insights into the application of advanced techniques in clinical practice.

We look forward to your presence and valuable contribution to this important event. Number of participants is limited, kindly confirm your attendance by 07.03.2025 through the completed application form.
